Dear Stakeholder/ Employees

His Excellency, The President of South Africa announced a countrywide lockdown starting from Friday 27 March 2020 at 00H01. In addition, certain essential services will remain open.

Included in the essential services are public and private organisations, within the Water supply, sewerage and sanitation sector which will need to be maintained during this lockdown.

Overberg Water has instituted measures to mitigate the impact of COVID-19 on the broader working place while still ensuring operational needs and administrative needs are met.

In light of this, please note the following:

2. Overberg Water shall continue services to our internal and external customers via email and telephone. Water provision remains an essential service .
3. Please take every precaution as the COVID-19 outbreak poses a grave and real threat to the lives and livelihoods and prosperity of our colleagues, South Africans and fellow human being around the globe.
4. Hence, Overberg Water has ordered the sanitizers, gloves and awaiting the delivery of masks as well as encouraging the washing of hands on a regular basis including maintaining a 1 m to 1.5 recommended distance away from each other.
5. We shall be communicating via various means such as the emails, WhatsApp and telephone calls.
