

Body found in hotel

The body of a man believed to be a well-known accountant from Gansbaai, who was wanted by the police in connection with fraud to the value of R10 million, was found in a hotel in Gauteng.

In response to an enquiry about the case of Hennie Ritter who was wanted by the police, Captain FC van Wyk, a police spokesperson, stated that an inquest docket had been registered after the body of a 51-year-old man was found in a hotel on Sunday afternoon.

He said: "An inquest was opened for investigation at Boksburg North after the body of a 51-year old man was discovered by cleaning personnel in a hotel room in Gauteng. He was found on Sunday afternoon with a gunshot wound."

A warrant of arrest had been issued for Ritter, who disappeared shortly after he had reportedly been discharged from the service of Gansbaai Marine, where he had been employed as an accountant for several years.

It is alleged Ritter transferred more than R10 million from the company's bank account to his own private account over the years.

This money, it is alleged, was used for a pilgrimage to Israel

and to buy luxury vehicles, motorbikes and horses.

A search for Ritter was launched after he was reported missing on Monday 7 March. The vehicle he fled in was later found at George Airport.

According to Van Wyk a case of fraud was reported to the Gansbaai police on Tuesday.

The Managing Director of Gansbaai Marine, André Coetzee, declined to comment for fear of jeopardising the case.

Eisers vra likwidasië

Rick Marais

'n Bottel gif is naby die lyk van 'n bekende sakeman van Somerset-Wes, wat verlede Donderdag (3 Maart) as vermis aangemeld is, gekry.

Hendrik Geryts, die besturende direkteur van HGG Finansiële Groep, se liggaam is Vrydag (4 Maart) ná 'n twee dae lange soektog in die bosse op Grotto-strand gevind. Volgens kaptein Fadila September, woordvoerder by die Hermanus-polisie, word geen misdaad vermoed nie en sal 'n nadoodse ondersoek gehou word. " 'n Bottel gif is op die toneel gevind. 'n Lykskouing word tans gedoen. Dit gaan 'n tyd neem voordat die uitslag aan die hof bekend gemaak sal word," sê kapt. September.

Die polisie het Geryts se voertuig deur middel van kameras wat lisensienommers herken, gevolg toe dit deur Hermanus gery het, en die voertuig is weer in Gansbaai gesien, maar teen 11:00 op 3 Maart is sy selfoon afgeskakel en is sy

voertuig nie weer gesien nie.

● **Rapport** het Sondag 13 Maart berig die onderneming is voorlopig gelikwider. 'n Europese egpaar en 'n konstruksie maatskappy in die Helderberg het die likwidasië-aansoek by die Wes-Kaapse hooggeregshof ingedien. Die egpaar, wat R43 miljoen by Geryts belê het, het hom einde verlede jaar versoek om R6,6 miljoen aan hulle oor te betaal. Dit is nooit gedoen nie. Hulle het net ná die tyding van sy dood verneem slegs R47 000 is in van hul rekening betaal.

Die konstruksie maatskappy, wat R9 miljoen by Geryts belê het, sê Geryts het op 22 en 24 Desember onderskeidelik R1,35 miljoen en R800 000 sonder hul toestemming uit hul beleggings onttrek. Hy het belowe om dit terug te betaal.

Die sekwestrasie-aansoek word vandag (Woensdag 16 Maart) aangehoor.

Hendrik Geryts se lyk is Vrydagaand op Grotto-strand gevind.
