Failure to comply with the Specification and standards as set out in the quotation document shall constitute a material breach, and Overberg Water reserves the right to cancel the contract in terms of Clause 23 of the GCC.

3. Payment– Clause 16 of the GCC

3.1 A monthly payment cycle will be the norm. All invoices received for goods and services dated on or before the 20th of a particular month will typically be paid between the 23rd and the 26th of the ensuing month.

3.2 More frequent payment to suppliers is not a right. Requests for such payments will be considered at the sole discretion of Overberg Water.

3.3 In order to give effect to a more frequent payment cycle (if approved), an additional mid-month payment run will be effected as necessary. The additional payment run dates will be between the 10th and the 13th of the month.

3.4 The actual payment run dates will be dependent on the number of days of the month and the influence of public holidays. Suppliers on a 14-day cycle who submit invoices by the 25th of a particular month will be paid between the 10th and the 13th of the next month.
